

Agribusiness Company Regional HQ

Undisclosed Client

Industry: Agribusiness

Location: Walnut Creek, CA

Challenge:

Establish a contemporary looking, collaborative trading office, for a "start-up" business group, with a multi-national parent company.

Solution:

Allsteel's Stride benching provided an ideal platform for the trading desks in the main work area. The Allsteel Acuity chair provided the contemporary look and ergonomic features required for users who are in their chairs for 10 to 12 hours per day.

Products Used:

Workstations | Stride
Seating | Acuity
Lobby | Clarity Seating
Soft Seating | CB2
Soft Seating | West Elm

Allsteel's Clarity seating and Belong coffee table created a contemporary look and feel for the main lobby.

To create the comfortable and informal meeting area, The CSG design team pulled products from CB2 and West Elm.
